---

Dear Potential Advertiser/Sponsor,

The North Marion High School Band Boosters are sponsoring the **2018 Annual Kingdom of the Sun Marching Band Festival** on November 10, 2018 in Stan Toole Memorial Stadium at North Marion High School. The Festival will be comprised of six classes, including show band and comments only (exhibition) in which all bands will be judged in the following categories: Music, General Effect, Visual, Percussion, Auxiliary (Color Guard) and Drum Majors.

As you may not be aware, it is exceedingly expensive to operate a High School Music Program. The North Marion High School Music Program is comprised of several groups, including Marching, Concert and Jazz Bands, along with a Winter Color Guard and Winter Percussion, all of which compete at various venues throughout the year. Some of the costs that must be covered include student and instrument transportation, new instruments and instrument repair, competition fees, music and drill costs, additional educational support, costuming and many other program expenses. The total expenditures for the North Marion High School Music Program last year totaled approximately **\$40,000**. The school department can not possibly cover all these expenses; therefore, the burden falls upon the students and their families. This year each student must pay \$150 to \$ 200 participate in any activity within the Music Program.

The North Marion High School Band Boosters is a non-profit, all volunteer organization established to help support the North Marion High School Music Program through various means, including fundraisers such as the **Kingdom of the Sun Marching Band Festival**.

Listed on the attached pages are several ways in which your school/business/group/individual could be featured in our Festival Program and/or become a Band Advertiser/Sponsor. Please take the time to consider which method would most benefit both yourself and the "Colt Stampede". Bands from various Marion County High Schools will be in attendance; therefore, your message will be seen by members of the community throughout Marion County. Don't miss out on this great advertising opportunity.

Thank you in advance for your support!

Sincerely,

Aaron Janosa  
Director of Bands

Kingdom of the Sun Marching Band Festival
Saturday, November 10, 2018

Proceeds benefit the North Marion High School Music Program
Must be submitted no later than Friday, October 26, 2018
