## From the Director

Dear Students and Parents,

We are excited for each member, both new and returning, who chooses to be a part of this organization. Every student brings something special to the program, and it is part of our mission to facilitate significant musical and personal growth in each one. Joining the NMHS Music Department is a full-year commitment – every student becomes part of *one organization*, which is multi-faceted in its ensembles and offerings.

With a calendar full of events, many after-school activities, and a variety of required personal supplies, each student and family must make a commitment to be informed and prepared for every band activity. This expectation is in effect all year. As Director, I will do my part to ensure student success by distributing a calendar of events, providing detailed expectations for each class day, rehearsal, and performance, as well as a full list of supplies that are required by each student. This information is all contained in our handbook - copies are available any time from our band website. In order for each member and all of their peers to be successful, I ask that every student and family carefully read through the handbook. Mark down dates in a physical calendar and an electronic one with reminders – printed dates will not change nor will any extra commitments be added outside of extenuating circumstances. Know exactly what supplies are needed every time the band meets, and speak with me directly if a family situation prevents anyone from being fully prepared for class.

Please note, the Handbook Contract needs to be signed by both the student and parent/guardian, indicating you have read, understand and agree to abide by the rules and regulations set forth in this handbook. This form must be returned to the Director no later than May 18<sup>th</sup>, 2024.

This musical endeavor is an equally collaborative project between students, family, staff members, and the director. We each have hard work ahead of us, we will all put in extra time outside of school hours, but most importantly, we will all advance our musicianship and share the experience of music making with our peers, families, and community. If anyone has questions which cannot be answered by information in our handbook, please do not hesitate to contact me directly by email, or through our Booster President. I am looking forward to an exciting and successful 2024-2025 school year. Thank you, and go Colts!

Aaron Janosa,

Director of Music

## About the Band Program

### *Vision Statement*

Inspire Superior Performance Every Day, in Every Student

### *Mission Statement*

It shall be the mission of the North Marion High School Music Department to facilitate musical growth to the highest level in each member, to ensure personal development through responsibility and work ethic, and to teach the value of working together with others to reach a common goal. No student will be turned away from the music-making experience if they are willing to invest and trust the process – we work together as one unit, and every member is of equal value and importance.

### *Band Motto*

"It Doesn't Count Unless You Take the Next Step"

## Ensembles Offered

### *Symphonic Band and Wind Ensemble*

The Symphonic Band and Wind Ensemble (concert bands) are the nuclei of the band program. Their repertoire consists of well-known and varied works in the Grade level 3, 4, and 5 for concert bands. The Symphonic Band is comprised of newer or younger musicians. The Wind Ensemble consists of higher-level performers or those who have auditioned into the group. These ensembles perform at least two concerts during the year and performs at graduation, the Marion County Pre-MPA Festival and the FBA District Concert Music Performance Assessment (MPA). There are also many other opportunities for smaller, specialized ensembles. *Prerequisite: Students must be a member of the Competition or Football Marching Bands to participate in the concert bands unless an exception is approved.*

**REHEARSALS:** Most Tuesdays (after marching band) from 3:45PM – 6:00PM. Additional rehearsals and sectional times may be scheduled given appropriate notice.

### *Colt Stampede Marching Band*

Colt Stampede is a marching ensemble organized during the summer for the duration of the football/competition season. It is divided into two units: the **Competition and Football** bands. Competition band membership is by audition with the NMHS Band Director. The Football band is open to all qualified band students. The marching band provides entertainment for all home and selected away football games, and performs annually before thousands of spectators at various pep rallies, festivals, parades and competitions. *Prerequisite: Students must be a member of the Symphonic Band or Wind Ensemble to participate in the Marching Band unless an exception is approved.*

**REHEARSALS:** Members receive a school credit, and are automatically signed up for the marching band class (7<sup>th</sup> Period). The Competition Band rehearses Tuesday and Thursday after school from 3:45PM – 6:30PM, and Fridays that we have games. Wednesday afternoons are also reserved for sectional rehearsals, as announced. The Football-only Band only attends Fridays that we have games.

### *Colorguard*

Colorguard is an outdoor visual ensemble during the fall season that supports the Marching Band, with routines that portray the music and help set the atmosphere on the field. Equipment utilized in the Colorguard can vary from flags, sabers, rifles, swing flags and many other types of equipment. The Colorguard will learn drill routines and some dance techniques. *Participation in indoor ensembles (concert bands, Jazz Band, etc) are not prerequisites to being a Colorguard member, but students who also play instruments are highly encouraged to hone their musicianship by participating in these ensembles as well.*

Members receive a school credit, and are automatically signed up for the marching band class (7<sup>th</sup> Period). The Colorguard rehearses with the Marching Band on Tuesday and Thursday afternoons from 3:45 – 6:30PM, and Fridays that we have games. The Colorguard may have additional rehearsals as needed, given appropriate notice.

### *Jazz Band*

The Jazz Band is an integral part of the overall band program – performing Swing/Latin/Pop/Rock repertoire, and promoting the study of a variety of genres. Membership for the ensemble *may be* determined by auditions. Any qualified student is able to audition for this ensemble. This ensemble plays at concerts, community performances, and for ratings at a variety of festivals. This group rehearses on Thursdays after the marching season. Students in the Jazz receive a full credit during the school year. *Prerequisite: Students must be a member of the Marching/Concert bands to participate in the Jazz Band, unless an exception is approved.*

## General Information and Policies

### *Basic Rules*

- Students must participate in class every day. If you are too ill to participate in class then you need to go to the clinic to be sent home.
- Each student is required to have their instrument, music, a pencil and any other materials that the Director deems necessary for rehearsal.
- Profanity, rudeness and horseplay will not be tolerated.
- No talking is permitted during instructional time. Students must raise their hand and wait to be recognized.
- No eating, drinking, or gum chewing in the band room at any time except for water.
- Do not touch any instrument that is not explicitly yours to use.
- No public displays of affection in uniform.
- Insubordination towards the Band Director, Staff, Teachers, Chaperones, Administrators, or Band Boosters could result in temporary/permanent dismissal from the band.
- Possession or use of tobacco, vapes, or other illicit substances may result in immediate dismissal from the band program, as well as disciplinary action per MCPS Student Code of Conduct policies.

### *Violation of Band Program Policies*

- All infractions may be documented and reported to school administration as appropriate.
- A serious infraction of rules and policies could constitute removal from the Band Program
- In the case of serious behavioral violations while off campus, the student's parents will be called and the student will be asked to leave at their own expense

### *Overview of Expectations*

**In order to achieve and maintain a band program of the highest caliber, it is imperative that all members adhere to all of the following expectations at all times.**

- Attend all required rehearsals and performance – the minimum expectation is 100% attendance. Being on time (which means arriving BEFORE the call time) to all events is part of this expectation.
- Be fully prepared for rehearsals and performances. You must have your working instrument, music/folder/lyre, pencil, extra reeds, valve oil, etc.
- Instrument and all related equipment must be kept in performance condition at all times.
- Understand the duties of Band Leadership in order to work with them.
- Practice regularly at home (2 hours/week minimum), and **study privately, if at all possible**.
- Keep the band facility neat and clean. Folders should be stored in the rack neatly. Only instruments and related equipment should be kept in the storage room.
- If you use it...put it back (stands, mutes, percussion equipment, etc.)
- Fulfill your Fair Share obligation, mainly by participating in fundraisers until this is accomplished.
- Demonstrate a willingness to learn, improve yourself, and create a culture of respect and dignity within our program.

### *Dropping Band*

- All band courses are to be completed in full once school has been in session for two weeks
- After this point, the student must consult with the Director, parents, and a guidance counselor

## Attendance

Because we are a performance-based arts discipline, a certain amount of extra rehearsal is necessary to maintain a consistent level of excellence. All performances and after school rehearsals require mandatory attendance. An extra effort is made by the director to give students and parents advance notice of all events. Therefore, we ask that appointments be scheduled so that they do not conflict with the band calendar.

**To avoid any confusion, there generally will be no excused or unexcused absences. Either you're there or you're not...rehearsals cannot be "made up."** Therefore, students are highly encouraged to avoid being absent. An excessive number of tardies or absences will result in removal from select performances or band entirely.

**In addition, members must be in school the day of a performance or they may not be allowed to perform that evening.** We simply cannot afford to allow absences or tardies to slip by if we want to be a Superior band. We are only as strong as our weakest link.

### *Attendance details*

- If you miss two or more rehearsals prior to and in preparation for a performance, you may not be allowed to perform in that particular performance.
- If you miss the final rehearsal before a performance (in class or after school), you may not be allowed to perform.
- If you miss the final rehearsal before a marching band performance, you will be required to perform while standing on the sideline. *This is a consequence of maintaining safety.*
- In the case of a conflict between an NMHS Band rehearsal and another NMHS activity, the student must notify the director immediately upon realizing the conflict and allow the teachers to address the issue.
- Work is not an excuse for missing an event. As an adult, it is *your* responsibility to plan ahead. The Director will gladly provide a letter to your employer explaining when we have required, graded responsibilities at school.
- Students not eligible to perform are required to attend the concert in concert dress and complete a two page review and MPA rating sheet **in order to receive credit.**

### *Absence Procedures*

- If you know about a conflict ahead of time, fill out a **Request for Excused Absence** form, available on the Band Website and on Canvas
  - Remember, this is a *request*, not a guarantee
  - Advance requests must be turned in *at least one week ahead of time*
- In the case of an emergency, please get in touch with Mr. Janosa in writing:
  - Email Mr. Janosa at [aaron.janosa@marion.k12.fl.us](mailto:aaron.janosa@marion.k12.fl.us)
    - If an emergency arises, please still fill out the **Request for Excused Absence/Tardy** from our band website within two days of the unexpected absence
- **No form turned in = no grade for the required event**

### *Event Cancellations*

In case of inclement weather, assume we are still meeting for the scheduled event. If the decision is then made not to go, the students may call to arrange for transportation home. **Only official communication from Mr. Janosa or Marion County Public Schools can announce an event cancellation**

Because cancellations are always possible, is imperative that all parent contact information is kept updated in Skyward and with Mr. Janosa.

# Student Leadership

## *Purpose*

Student leadership (a.k.a. band officers) are band members who go above and beyond to support all activities of the band program. They volunteer their time and energy to create a better musical and professional environment for all members. They are the role models of the program, and they represent the North Marion High School Band with the highest level of dignity and respect at all times.

## *Selection Process*

Everyone interested in being an officer must fill out an application and attend an in-person interview before a staff/volunteer panel. Drum Major candidates must also audition for the position. In addition to these requirements, student leaders are selected by a year-long process. Every student is constantly considered for their suitability as a future leader in the band program. While a strong interview and thoughtful application answers are beneficial, students who demonstrate excellence at all times are ideal candidates as officers.

## *Hierarchy and Responsibilities*

In order to be an officer, students are selected based on excellence in all of the following areas: attitude, being a positive example, attendance and punctuality, musical achievement, reliability, school grades, and experience. Note that “being a first chair/lead player” is only very small component of leadership selection, at best. **All leadership students must also attend a leadership clinic which will take place near the end of the school year.**

Student officers follow a hierarchy of tasks and responsibilities. The position titles and brief descriptions (not comprehensive) are listed below.

### **Drum Majors**

- Ensures cleanliness of equipment and band room

### **Lieutenants (Large section or Logistics)**

- Assists with loading equipment for travel
- Maintains organization of music, library, band room chairs, etc.
- Reports to Captains

**Please direct your day-to-day questions regarding our schedule and in-class expectations to leadership “up the chain of command”. For example, ask a lieutenant first. If they do not know the answer, ask your large-section captain, etc.**

## **Band Boosters**

### *Purpose*

The NMHS Band Boosters' purpose is to advance the best interests of the North Marion High School Music Department by giving support as requested by the Director. All parents/guardians of students enrolled in the Music Program are members of the Music Boosters. A \$5.00 membership fee is charged to become a voting member, and also covers insurance costs for parents/guardians who volunteer with the band. Maintaining an active band program requires support and funding beyond that provided by the school system, and our Band Boosters are a key part of that success.

### *Activities of the Booster Program*

- Purchase and maintenance of uniforms
- Purchase of instruments
- Running and maintaining the Band Concession Stand
- Running the Kingdom of the Sun Marching Band Festival
- Providing Chaperones for Band events

### *Instrument Care*

#### **Woodwinds and Percussion**

##### General

- Swab the bore after each playing session.
- Periodically oil the keys.
- Wipe the keys and body clean with a soft cotton cloth after playing.

##### Flute

- Periodically check the position of the tuning cork.

##### Clarinet and Saxes

- Rinse the mouthpiece daily with warm water and avoid mouthpiece brushes.
- Always have spare reeds. Rotate them so that you have at least three broken in at a time.
- Buy a reed guard and use it. It will pay for itself within a few weeks.

##### Double Reeds

- Soak reeds before playing on them to avoid cracks.
- Learn to make your own reeds or at least to adjust the ones you buy commercially.

##### Percussion

- Avoid damage to heads by using the proper sticks or mallets for each instrument.
- Become familiar with proper techniques of changing heads, tuning and routine maintenance.
- Keep instrument clean and dry.

#### **Brass**

##### General

- Run lukewarm water through the instrument at least once a week and give it a bath at least once a month. Never use hot water.
- Wear cotton gloves while playing and wipe off all fingerprints after each use.
- Never use brass or other metal polish on brass lacquer finish (shiny gold) instruments. Use a clean cotton cloth and water to wipe instruments clean.
- Use Vaseline on all tuning slides.
- Periodically check corks on water keys to make sure that they are sealing properly.
- Occasionally vacuum your case to keep sand and dirt from scratching the instrument finish.

##### Piston-Valve Instruments

- Use fresh valve oil as needed.
- Be sure fingers remain curved while playing so that the valve action is straight up and down. This will avoid uneven wear on the pistons.
- Check felts to make sure that they are not worn or compacted. Replace as needed.

##### Trombones

- Use trombone slide cream such as *Super-Slick* or *Trombontine* and a spray bottle of water on slide. Do not use oil.

##### Rotary-Valve Instruments

- Use rotary valve oil regularly.

## Grading Policies

All musicians are expected to be enrolled in the concert band class(es) and the 7<sup>th</sup> Period Marching Band Class for credit. All students will be given a grade provided they follow the policies of the Music Course.

### *Grade Breakdown*

**Participation - 50%**

**Homework - 30%**

**Tests/Projects - 20%**

### *Participation*

The majority of your grade (50%) comes from the participation category. Performance at rehearsals and in-class activities make up this grade. Additionally, there may be required assessments that include live performance tests, scale tests, class activities, etc. in this category.

### *Homework*

This category, worth 30%, will be used to evaluate at-home assignments. In order to be a successful band, it is imperative that some work be accomplished at home – we cannot work on everything necessary in class.

### *Tests/Projects*

All major individual assignments will fall into this category, *including public performances*. Additional examples include music theory tests and memorization checks.

### *Attendance*

Per the stated attendance policy, you cannot receive a grade for a rehearsal or performance that you did not attend. Additionally, CPALMS (Florida’s official source for standards information and course descriptions) has a provision that “This course requires students to participate in extra rehearsals and performances beyond the school day.” Make-up assignments for a missing grade will be provided if/when the **Request for Excused Absence/Tardy** form is received according to policy.

### *Excused Grades*

If a student is excused from a graded assignment or event, their grade in Skyward for that assignment will be entered as a **1% and marked as “No Count”**. This means that the assignment has no bearing on their class average.

*Caveat:* For every assignment a student is “Excused” from, their other grades will now affect their average with more weight. *If you are excused from an assignment or event due to legitimate illness or family conflict, it is **your** responsibility to make sure all other assignments are turned in to maintain an acceptable grade. You **will not** receive a free 100% on an assignment just because you are excused.*

*“Help, Skyward says XYZ assignment is missing!”*

When Mr. Janosa creates an assignment in Skyward (a rehearsal, for example), he will enter the actual due date for the grade. This means that as soon as the date hits, ungraded assignments will appear as “Missing”. *Just because an assignment says it is “missing” does not mean you need to worry – it will take some time to enter actual grades.* Please be patient – Mr. Janosa cannot enter grades for rehearsals or homework the same day as the event.

## Optional Activities

In order to further your own musicianship, participating in music-related activities outside of NMHS directly are crucial. A variety of yearly events take place around the state which everyone has the opportunity to participate in.

### *Private Lessons*

The single most important key to becoming a better musician is by taking private lessons. *We cannot stress enough how important this is!* Instructors are generally available at College of Central Florida and the Reilly Arts Center in Ocala. There is nothing like having music instruction tailored exactly to your needs on a regular basis -- it's an incredibly worthwhile investment.

### *FBA District and State Solo and Ensemble*

- Students prepare a music selection for district level evaluation in **February**. These selections may be unaccompanied, accompanied by a pianist (students are responsible for paying the accompanist) or a chamber (small ensemble) with no accompanist needed.
- Those earning a Superior (playing Grade V or higher) qualify for the State Solo and Ensemble Music Performance Assessment in **March/April**.
- Participation is for performance and feedback opportunities only. It is not competitive and is *highly encouraged* for every member.
- Attire for these events should show professionalism and respect to the adjudicators.

### *Honor Bands*

Students with the necessary musicianship & desire will be encouraged to audition for the All-State Band All-District bands.

#### **All-State Bands**

- Auditions held in early **September**.
- Qualifying students will travel to the Florida All-State Clinic (Tampa) in early **January**.

#### **All-District Band**

- Auditions held in early **December**.
- Qualifying students will rehearse and perform at a local high school in **January**.

#### **Marion All-County Band**

- Selected by Director nomination in January, rehearsals and concert (at a local high school) held in **March/April**

#### **Festival of Winds/Tri-State Honor Band Festivals**

- Selected by Director nomination in the Fall, rehearsals and concerts held at the University of South Florida, and Florida State University, respectively. Performances in **mid-December**.

### *Summer Camps*

Often, local universities will host summer camps to study drum major conducting, instrumental performance, and leadership. These are great opportunities to meet other students in this activity, and to learn from the best of the best teachers. Information about these will be posted as they are announced.

### *Finances*

Like any worthwhile activity, these experiences all have financial strings attached. Travel to honor bands, lodging, etc. are the responsibility of selected students to pay. However, the Band Program shall cover entrance fees for Solo and Ensemble, and Honor Band auditions. For Solo and Ensemble, students shall be responsible for paying an accompanist (for solos) and purchasing an original copy of sheet music (all performers) if their music is not available in the library.

## Finances

Please see our **Financial Agreement** in order to see a detailed breakdown of costs, fees, and fundraising expectations.

In addition to listed costs, there are incidental items (examples below) that students may need to purchase on an as-needed basis. These are necessary in order to keep your instrument in a safe, working condition.

- Woodwinds: Reeds (at least 5-8 in rotation), reed case, cleaning swabs, pad savers, soft cloth
- Brass: Valve oil, soft cloth, mouthpiece/instrument brush
- Percussionists: Sticks/mallets beyond the initially provided pairs.

- Roll will be checked on each bus before departure. Students may not change buses without permission.
